Money Back Catarrh Remedy.

Dosing the stomach won't kill Catarrh germs. Neither will sprays, douches snuffs or ointments.

The quickest way to kill germs is to breathe deep into the lungs the vaporized air of Booth's HYOMEL. As this antiseptic air passes over the sore inflamed membranes and stops the discharge of mucus.

Then hawking, spitting, snuffing, crusts in nose and foul breath will disappear, and vile, disgusting Catarrh will be conquered.

A complete HYOMEL outfit, which includes a hard rubber inhaler, only costs \$1. Extra bottles, if afterwards needed, 50 cents and G. L. Penny is authorized to refund your money if dissatisfied.

A WARNING TO MANY

Some Interesting Facts Regarding Health Statistics

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in 1910, in the state of New York alone. Therefore, it behooves us to pay more attention to the health of these most important organs.

An ideal compound that has had remarkable success, as a kidney remedy is Dr. Kilmer's Swamp-Root the great kidney, liver and bladder remedy.

The mild and healing influence of this preparation is soon realized. It stands the highest for its remarkable record of cures.

If you feel that your kidneys require attention, and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and they will gladly forward it to you absolutely free, by mail.

Swamp-Root is sold by every druggist in bottles of two sizes—50c and \$1.
